In placing the covers for you our recommendation has taken into account the following for you - availability of cover, cover exclusions, stability of insurance provider, cost and claims payment efficiency.

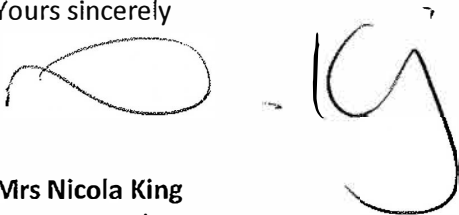

If there are any additional factors disclosed to us now or later that could affect this recommendation you will need to tell us and we will advise you if we need to alter our advice for you.

We are pleased to enclose the policy documentation and schedule of insurance which record the basis of cover effective from 18 June 2018.

Please review the documentation and sums insured/values to ensure that these meet your needs.

We trust that you will find the basis suitable for your needs and if there are any questions that you would like answered please do not hesitate to contact our office or Richard Ward on 07818 003 962.

Yours sincerely
